

TECHNICAL AND HOSPITALITY RIDER

DJ Reese · No Stress Zone Entertainment · Corporate Event Emcee and DJ

ARRIVAL AND SETUP

- We arrive and begin setup 2 hours before the event start time.
- Set length and performance times are confirmed in your event agreement.

WE BRING

- Laptop and Pioneer DDJ SR2 DJ controller
- External mixer
- Wireless microphones
- Speakers and full sound production
- Extension cords and power strips

VENUE PROVIDES

- Access to power outlets near the DJ and emcee position
- House sound system access, if the venue has one (optional, we bring our own speakers either way)
- Wi Fi (optional, preferred)

ACCESS AND HOSPITALITY

- Access to a restroom
- Secure parking or a loading zone near the entrance

GOOD TO KNOW

- DJ Reese is fully insured. Certificate of insurance available on request.
- Please share one day of event point of contact.
- We coordinate directly with your AV team and producer on the run of show before load in.
